18m2 Size

Open plan, ensuite, ensuite & kitchenette
or kitchenette+ options

SPECIFICATIONS

View below the specifications for our 10m2, 15m2 and 18m2 Pods. Please contact us for the specifications for our Freedom and Escape Tiny Homes, or head to the Tiny Homes page on our website.

Construction

Our Pods are constructed from galvanised steel and painted with a 3 coat, marine grade system.

Cladding

The walls and roof are .5mm galvanised steel sheet, corrugated on the exterior and flat on the interior, creating a modern, low maintenance and hard wearing finish.

Insulation

The Pod walls, roof and floor are insulated with high density rock wool and the windows and doors are double-glazed, which makes our Pods extremely well-insulated.

Function

Pods are constructed with full height sliders that can open either direction. All Pods contain PVC wood-look laminate flooring throughout and a large awning over the front door.

Electrical

All the electrical work is completely ready for you to simply plug in the Podlife-supplied caravan style 15m power lead. All Pods come with LED lighting inside and out and multiple internal powerpoints, and an Electrical Code of Compliance Certificate.

Ensuite

The bathroom has a 900mm wide x750mm deep shower, a toilet, vanity with under sink storage and a 16L gas califont.

Kitchenette

The kitchenette is a Peter Hay 1185 x 530 unit with stainless steel insert, 2 drawers and under sink storage.

Kitchenette+

The kitchenette+ (1835mm long x 2100mm high) features 4 drawers, 3 cupboards, a 2 burner electric hob, plus fridge, microwave cavity and extractor fan.

TESTIMONIALS FOR PODLIFE

Ensuring our clients receive brilliant service and an outstanding Pod is what makes us tick.

"It's not often that you get both amazing quality AND amazing customer service. Podlife delivered both in spades. I have already recommended them to friends and family and will also be buying another. Thank you."

– Nick Lisette

"We love Podlife, they make it easy for us to set up our mobile education facilities. All the hard work is done, we just find the spot and they deliver. I would highly recommend James and the team for your next mobile unit."

– Mark Wilson, Zeal Education Trust

"I would recommend Podlife to anyone needing extra space - we have created a fantastic affordable office space. The whole process was professional thanks to Jacqui and Nikita. The Pod itself and materials used are great quality. Would not hesitate to use Podlife again. Thanks!"

– Olivia Stone

"Beautiful service with super-fast delivery and met all our needs. Easy to deal with and very attending. Definitely met all our needs in an extremely fast and professional manner."

– Samantha

"These Pods are fantastic value for money and the quality exceeded our expectations, would highly recommend getting one."

– Kirstie Talbot

"Really happy with my Pod, the team were good to deal with and everything went smoothly and as expected."

– Jaz Woollett

"The crew at Podlife have been amazing to deal with and the Pod is finished to a high standard. We customized our Pod and the turnaround time was very impressive. Delivery was seamless. Very happy."

– Darren Celliers

"We have been really impressed with the process from purchase to delivery. We have been able to ask questions throughout and had quick responses from a super helpful team. Start to finish has been impressive. I would also just like to say how we were blown away by the truck delivery man he was so professional and helpful it was really appreciated."

– Kirsten Brown

"Thoroughly recommend all the teams at Podlife - sales, support, design, making, delivery."

– Francis Pauwels

"Great service, good communication, great product."

–Iain Girvan

"We are really pleased with our Pod, it has fulfilled our need for extra space and makes a great addition to our home. The staff at Podlife could not be more attentive to our needs and in communicating throughout the process of ordering and delivery. We can highly recommend the product and Podlife, a great big thumbs up!"

– Simon Paul Foster
