Each option provides a practical, comfortable solution for all your accommodation needs whether you're looking to purchase your first home, downsize, or simply need more room for family and friends!

We invite you to view our range of Tiny Homes and to begin living your Podlife dream today.

BEAUTIFUL PODS FOR EVERY SPACE

Our Pods are designed and created right here in New Zealand by a team dedicated to creating a finished product of the very highest quality.

ESCAPE RANGE

Have you ever wanted to escape to a place of tranquillity without the stress of a big mortgage? The Escape Range from Podlife provides the perfect entry into Tiny Home living. Select from either the one bedroom or the two-bedroom options for this 32m2 Pod that comes with a bathroom, kitchen and living area. With a Podlife Tiny House you'll get more than just a home, you'll get a place of your own to truly escape to.

FREEDOM RANGE

Our Freedom Range of Tiny Homes offer a step up in features that include a built-in wardrobe, full-sized kitchen with oven, larger bathrooms, and many more home comforts in a 32m2 footprint that also has a living area. Plus, you have the option of either an ensuite or, a central bathroom. Take a step towards Freedom today with Podlife.

SPECIFICATIONS

Check out key specifications for the 32m2 Tiny Home range from Podlife.

Construction

Our 32m2 Pods are all constructed with an insulated panel construction system, and are designed for strength in all New Zealand conditions.

Cladding

Our 32m2 Pods are clad in high quality New Zealand Colorsteel® Maxx. This is the perfect cladding for NZ's sometimes harsh coastal conditions.

Insulation

Our 32m2 Pods have insulated walls, ceiling and floor that exceed the NZ Building Code (including the 2023 H1 calculations), ensuring you'll be warm and cosy.

Function

Our Tiny Home ranges are created by our experienced design team to ensure space, style and comfort are maximised so you get the most out of every square metre.

Electrical

Our 32m2 Pods come with LED interior and exterior lights, ensuring you get quality lighting that's energy efficient and lasts longer than traditional bulbs. They also come with a 32-amp supply and they're all wired ready for site connection. Plus, our 32m2 Freedom range includes USB power points! All Pods come with an Electrical Code of Compliance Certificate.

Kitchen

The 32m2 Escape comes with a kitchen that has a 2-burner electrical hob and ducted rangehood, whilst the Freedom Pods have a full kitchen with a 4-burner hob and oven. Whether preparing a meal for yourself or entertaining friends, you'll love your Podlife kitchen.

Bathroom

Our 32m2 Pods each have a bathroom with a shower, toilet, and vanity, and have been designed for both comfort and functionality for your new Tiny Home life. Please see individual Pods for full specifications and to contact our friendly team with any questions you have.

TESTIMONIALS FOR PODLIFE

Ensuring our clients receive brilliant service and an outstanding Pod is what makes us tick.

"We love Podlife, they make it easy for us to set up our mobile education facilities. All the hard work is done, we just find the spot and they deliver. I would highly recommend James and the team for your next mobile unit."

– Mark Wilson, Zeal Education Trust

"I would recommend Podlife to anyone needing extra space - we have created a fantastic affordable office space. The whole process was professional thanks to Jacqui and Nikita. The Pod itself and materials used are great quality. Would not hesitate to use Podlife again. Thanks!"

– Olivia Stone

"It's not often that you get both amazing quality AND amazing customer service. Podlife delivered both in spades. I have already recommended them to friends and family and will also be buying another. Thank you."

– Nick Lissette

"Beautiful service with super-fast delivery and met all our needs. Easy to deal with and very attending. Definitely met all our needs in an extremely fast and professional manner."

– Samantha

"These Pods are fantastic value for money and the quality exceeded our expectations, would highly recommend getting one."

– Kirstie Talbot

"Really happy with my Pod, the team were good to deal with and everything went smoothly and as expected."

– Jaz Woollett

"The crew at Podlife have been amazing to deal with and the Pod is finished to a high standard. We customized our Pod and the turnaround time was very impressive. Delivery was seamless. Very happy."

– Darren Celliers

We have been really impressed with the process from purchase to delivery. We have been able to ask questions throughout and had quick responses from a super helpful team. Start to finish has been impressive. I would also just like to say how we were blown away by the truck delivery man he was so professional and helpful it was really appreciated.

– Kirsten Brown

"Thoroughly recommend all the teams at Podlife - sales, support, design, making, delivery."

– Francis Pauwels

"Great service, good communication, great product."

–Iain Girvan

"We are really pleased with our Pod, it has fulfilled our need for extra space and makes a great addition to our home. The staff at Podlife could not be more attentive to our needs and in communicating throughout the process of ordering and delivery. We can highly recommend the product and Podlife, a great big thumbs up!"

– Simon Paul Foster
